SUPPORT THE ICAC's 40th Annual Conference

The 40th Annual Conference of the Institute of Chartered Accountants of the Caribbean (ICAC) will be held from June 22nd to the 24th, 2023 - as hosted by The Institute of Chartered Accountants of the Eastern Caribbean (ICAEC) - Grenada Branch .

This flagship event provides a forum of knowledge sharing for accounting and finance professionals in the Caribbean to participate for mutual and fraternal benefits - and after two years of meeting via virtual platforms, we are back to meeting in-person!

We will examine several topical areas under this year's most apt theme of "Sustainable Development: Our Responsibility". Topics include:

- Climate change and the Caribbean economy
- The impact of citizenship by investments
- The Challenges of IFRS application in the Caribbean
- Environment and Social Governance (ESG); its relevance and application to the Caribbean

This is also a wonderful opportunity for your organisation to explore business and networking opportunities and showcase your brand, as hundreds of finance professionals from across the Caribbean are expected to converge in Grenada over the three days of conference. Kindly peruse the sponsorship listed below and indicate your decision by emailing events@icacorg.com by or before March 31, 2023

Should you have any further questions/queries, please do not hesitate to contact us for further clarity. We anticipate your positive response to ensure that our 40th Conference is befitting of the anniversary.
